The 24th September, 1951 }

K. MITRA,
for Registrar General, India.

NATIONAL SAVINGS CERTIFICATES

Available in three different series, maturing after 5, 7 and 12 years. The yield is 3%, 3·57% and 4·16% simple interest, respectively, at maturity. Thus, in the 12 year-certificates money increases by 60% on maturity. Interest is free of income-tax and super-tax and is not taken into account in arriving at the total taxable income.

The certificates are obtainable from Post Offices doing Savings Bank business in denominations of Rs. 5, 10, 50, 100, 500, 1,000 and 5,000. An individual can invest upto Rs. 25,000, and two joint holders upto Rs. 50,000/-.

Full particulars obtainable from Post Offices, District Organisers of the Small Savings Scheme, Assistant National Savings Officers, Provincial National Savings Officers, or the National Savings Commissioners, Simla.

Deposits accepted in multiples of Rs. 100/- upto a maximum of Rs. 25,000 for a single depositor and Rs. 50,000 for two persons jointly. Interest at 3½% per annum (free of all taxes and not taken into account in assessing the total taxable income) is paid or remitted to the depositor's address every year. Deposits accepted at offices of the Reserve Bank of India at Bombay Calcutta, Delhi & Madras, and Branches of The Imperial Bank of India in other places transacting treasury business.

Full particulars obtainable from District Organisers of the Small Savings Scheme, Assistant National Savings Officers, Provincial National Savings Officers, or the National Savings Commissioners, Simla.

* In cases of towns where there has been an abnormal movement of population, it is likely that the population estimates may not be sufficiently reliable for calculating the birth and death rates.

† Figures not available.

Explanation of symbol used:—B.—Births; B.R.—Birth Rate; C.—Cholera; S.—Smallpox; P.—Plague; F.—Fever; D.D.—Dysentery and Diarrhoea; R.D.—Respiratory Diseases; M.D.—Maternal Deaths; D.R.—Death Rate; I.D.—Infantile Deaths (included in total deaths).

REMARKS

The figures of births and deaths shown in this statement for week ending the 1st September, 1951, relate to 168 towns with an estimated population of 20,387 thousands. The total number of towns is 236 and their population is 29,440 thousands. Thus 71% of the total number of towns representing 69% of the total population is covered in this statement. The numbers of births and deaths recorded in these towns were 18,066 and 8,225 representing birth and death rates of 46·1 and 18·3 per thousand of population respectively.

The towns of Kalyan in Bombay, Nellore and Visakhapatnam in Madras, Banaras and Mirzapur-Vindhya-chal in Uttar Pradesh recorded high death rates of 52·0, 50·1, 69·1, 58·3 and 51·4 per thousand of population respectively. The high death rate in Kalyan was not due to any of the specified causes; the high death rate in Nellore was largely due to cholera; the high death rates in Visakhapatnam, Banaras and Mirzapur-Vindhya-chal were largely due to fevers.

(A) States (Parts A & C).—The data here relate to 151 towns with an estimated population of 18,054 thousands. Information about Assam, Bihar and West Bengal could not be included. The total number of towns is 202 and their population is 25,128 thousands. Thus 75% of the total number of towns representing 72% of the total population is covered. The numbers of births and deaths recorded in these towns were 16,466 and 7,683 representing birth and death rates of 47·4 and 22·1 per thousand of population respectively. The table at the end gives the position by States.

(B) States (Part B).—The data here relate to 17 towns with an estimated population of 2,333 thousands. The total number of towns is 34 and their population is 4,312 thousands. Thus 50% of the total number of towns representing 54% of the total population is covered. The numbers of births and deaths recorded in these towns were 1,600 and 542 representing birth and death rates of 35·7 and 12·1 per thousand of population respectively.

No town recorded a high death rate of 50 or over per thousand of population.
